b) This is an arrangement which should be terminated as early as possible. As a matter of fact, the clerk should not be a Collector of taxes also in addition, or he should be in a position to check the collections made by him. He will collect by getting to have entered in the Treasury remittance regts factually carrying & filing them. We accept the receipts. The chances of misappropriation of moneys are many in this arrangement. We also have to give some security. Subject to the giving of security & efficient checking of collections may be reviewed, the arrangement maybe sanctioned Temporarily for a period of one year. for orders
